

Maryknoll Fathers' School
Hong Kong Diploma of Secondary Education (HKDSE) Examination
Special Examination Arrangements

30 May 2018

Dear Parents/Guardians,

Students with special needs may apply for special examination arrangement in the HKDSE examination. The special arrangements include taking examination in special centres, extra time allowance or exemption from part of the requirements of an examination, etc. The application for special examination arrangements must be accompanied with relevant supporting documents signed by registered medical practitioners or professionals. The application must be submitted via school to the Hong Kong Examination and Assessment Authority usually in September. Parents/Guardians can get more information from the "Application Guide" of "Special Examination Arrangements" posted in the website of the Hong Kong Examination and Assessment Authority (www.hkdse.hkeaa.edu.hk) or contact our teacher-in-charge.

Please send your reply via eNotice on or before 11 June 2018 (Monday) so that we may make necessary arrangements. If you have any enquiry, please contact the teacher-in-charge, Ms. Li Shun Wah at 2777 5117. Thank you for your attention.

Yours faithfully,

Ho Lik Sang, Lobo
